Anyone Can Afford Some One Of These Styles Of
VICTROLAS from \$15 to \$200

and you cannot afford to be without the delights of a Victrola at some price. The \$15.00 Victrola plays all Victor records the same as the \$200 Victrola. The disc talking machines are the only talking machines that are sold in any quantities today, and the first to recognize that this would be a fact were the Victor people and they therefore hold the essential features patented to a perfect running machine and durability.

NEEDLES or Changeable Points are Absolutely Necessary!

The talking machine with a diamond or permanent point or unchangeable point playing a heavy band piece in the ordinary home is deafening. With a Victor-Victrola soft needle it will be delightful.

Full tone—Soft tone—Subdued tone

The talking machine equipped with needles is always ready to give just the effects that are desired by the operator, thereby giving greater pleasure.

No variety without needles. With the full tone, soft tone or subdued tone needle you can play any record as loud or soft as desired.

Victor Records 60c and Upwards

You can get a record with a different selection on each side for 75c. For \$4.50 you can have six double-faced records containing 12 selections of your own choice.
